- Dinner at Colonial Williamsburg's Shields Tavern
- Roundtrip Motor Coach transportation via Anderson Coach & Travel
- Admission to Ghost Tour of Williamsburg
- Admission to Busch Gardens Williamsburg
- Standing Performance at Busch Gardens (Varsity Marching Band)
- Admission to the National Museum of the Marine Corps, including a catered lunch (Quantico, VA)
- Overnight Hotel Security
- CCIS On-Location Travel Escort
- Complimentary customized luggage tag and thank-you gift for the group
- GroupCollect Online Trip Registration and Payment System
- Trip Cancellation Insurance available and strongly recommended
- \$5,000,000 Professional Liability Coverage
- All taxes & gratuities
- Participation in the CCIS Student Scholarship & Teacher Grant Program
- Full itinerary, including performance details will be provided when finalized.

Projected Cost:

- \$775, pending final student count and potential fuel surcharges. This initial estimate is based on 100% participation. The more students who attend, the cheaper the trip will be! Fixed costs (i.e. price per charter bus) will raise the total price if divided among fewer students. Please keep this in mind.
- Please Note: This total is BEFORE any subsidy from the Band Booster General Fund! Typical costs are reduced by approximately \$200. The harder we work this Fall, the cheaper the trip will be!
- NO deposits will be sent to the travel company unless we know we have enough total students committed to going and that all sections of the band are adequately represented in order to perform.

Trip Registration, Payments, Etc.:

- As with our previous trip to Florida, registration and payments will be submitted via the travel company's GroupCollect online system. Links and directions will be forthcoming once we are under contract with the company.
- It is STRONGLY recommended that family's take advantage of the available trip insurance options. You will be able to review this information and opt in/out at the time of registration.
- Individual online payments can be made directly via credit card.
- Payments from your Student Account (fundraisers) can also be made on your behalf via the Boosters! You have the option to mix & match your payments as needed!
- For your planning purposes, we are projecting 4 monthly payments of approximately \$200. The booster organization hopes to again subsidize the overall cost by covering the final payment.
